ELECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

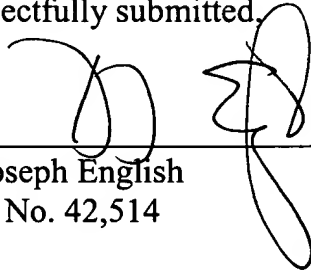

Sir:

Responsive to the Office Action dated December 29, 2004, Applicant elects to prosecute Claims 1-16, 30-39 and 45-48 with traverse.

Applicant requests examination of Claims 49-54 with the elected claims. The examiner's stated reason for restricting the examination of Claims 49-54 from the elected claims is that the products may be made by performing the coating after sealing. Applicant disagrees. For example, Claim 49 specifies a "coated lamp burner comprising a generally tubular unsealed section" Further, Claim 50 specifies a coated lamp burner "whereby the end portions ... are not sealed." Examination of Claims 49-54 with the elected claims is solicited.

A further a favorable action and allowance of the claims is solicited.

Respectfully submitted,

D. Joseph English
